x-no-archive: yes Good analysis. I too love wipe that Prade smile off your RADA face . Can anyone tell me what RADA means? I've looked in the dictionary and it's not in there so I'm assuming it's either slang or a name. Thanks

RADA is the Royal Association of Dramatic Arts and don't knock it because Ioan Gruffudd went there and he is amazing. (he did Hornblower and Titanic) How did you get onto RADA anyway?! Wipe that prada smile from your rada face. Qapla' Dodo
